ELMS Monthly Report

Each month, ECEAP Contractors submit a Monthly Report to the Department of Early Learning (DEL), as part of their billing process.

1. The primary purpose of the Monthly Report is to document the program activities you are billing for. Your payment will be approved after your Monthly Report is received by DEL.
2. The secondary purpose is to verify or update specific ELMS child and staffing information that may change from month to month.

Due Dates

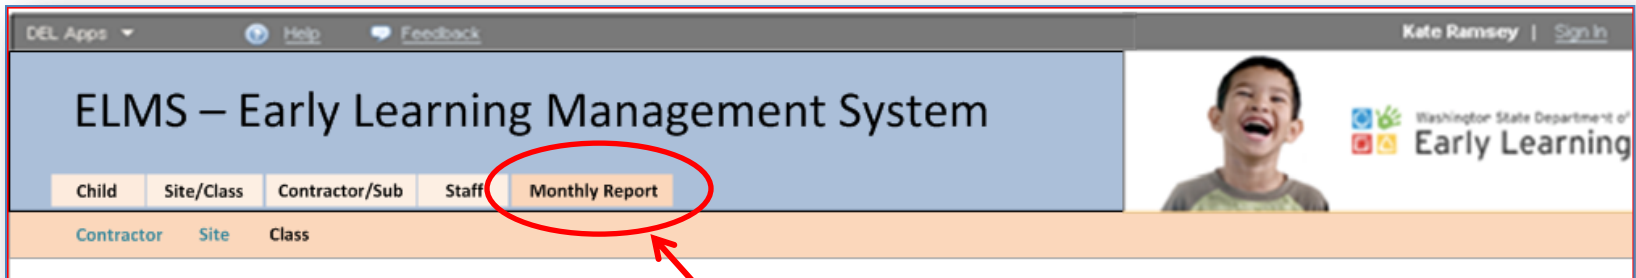

- The **Report Month** is the month in which the services were provided.
- Monthly Reports are available to view and edit in ELMS on the last day of the **Report Month**.
- Monthly Reports are due by the 15th of the following month, except the June report is due by July 10.
- Reports lock when submitted to DEL.
- Contact elms@del.wa.gov if you need to make a change to a locked monthly report that was already submitted to DEL.
- Contractor ELMS Administrators can unlock monthly report site and class pages, if the contractor level is not yet locked.

Now, let's take a look at the new
ELMS Monthly Report!
