- The PSESD Early Learning Department is in the process of developing a page/tab for the ELPM where FDM information, documents, and tools will be stored to support you in your efforts.
- Guidance from PSESD Early Learning around documentation
- Some frequently asked questions have been sent to DEL and they are working on the answers such as...
 - What will happen if FSS are not able to make the December 31st deadline?
 - Will DEL provide dates and times of when they will perform maintenance on the FDM database so that staff will know when the database is available for use and can schedule around it?
 - As the FDM updates and creates documents, can they add a revised date so that staff know they are using the correct and most up to date version?
