
When counting, always communicate number of children **OUT LOUD**.

COUNT out loud as you **ENTER** the environment

SCAN and COUNT out loud multiple times while **IN** the environment (outside more often)

Always have **ALL** classroom **STAFF COUNT out loud** and agree on total number of children before you **LEAVE** an area

Visually SWEEP playground before leaving- paying attention to potential hiding places

COUNT out loud while you **TRANSITION** (multiple times)

COUNT out loud upon **ARRIVAL** to new environment
